

The UK's favourite
Charging Network
with over 6,500
charge points nationwide

POLAR plus

**3 months' free membership
and exclusive rewards for members**

Operated by  chargemaster
powering the future

Welcome to POLAR plus

We're the UK's largest charging network for electric vehicles. We currently offer access to over 6,500 public charge points nationwide and are constantly expanding our network.

Our charge points range from our wall and floor mounted units for destination charging, to our 50kW rapid chargers and Ultracharge units, for when you need a quick charge on the run.

By offering our members an easy-to-use RFID card or key-fob, and a 24/7 customer service line, there's no wonder we're the UK's favourite network.

If that's not enough, we also give customers added benefits, including our EV Experience programme, in which customers have the chance to drive a vehicle from our EV fleet for a week, including BMW i8 or Tesla X. Full details can be found in this brochure.

We look forward to welcoming you as a member soon!

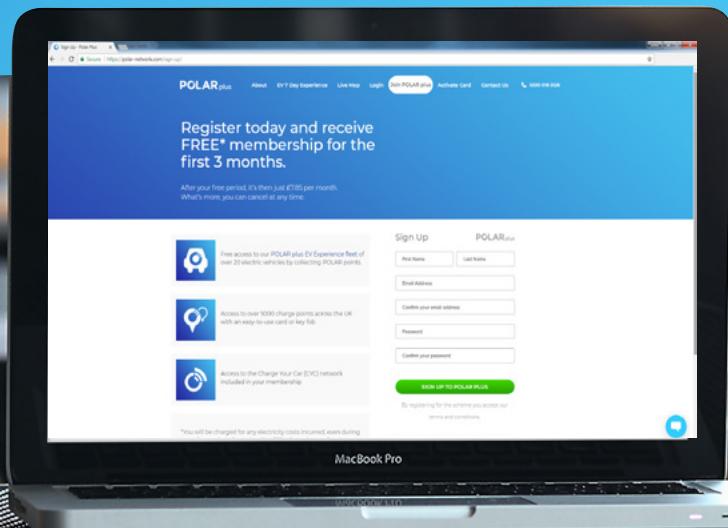

Membership and Costs

- Just £7.85 per month membership
- 70% of charge points free to use, with the others priced from just 9p per kWh (excl. VAT) – cheaper than the average cost of charging at home
- Customers can cancel at any point, with no notice period
- Access to over 6,500 chargepoints nationwide
- Access to the Charge Your Car network
- Live information on our map at www.polar-network.com/live-map
- 24/7 friendly customer helpline

How to Become a Member

Registering as a POLAR plus member couldn't be easier and only takes a few minutes

- Visit www.polar-network.com and click 'Join' in the top right corner
- Complete our simple application form and direct debit instruction
- As soon as we receive your application, we'll send you an e-mail confirmation and get an RFID card or key fob out to you within 2 working days
- Start charging on the network

POLAR exclusive rewards

We believe that it's important to reward our loyal customers. That's why we offer **POLAR points** every time that you charge in a new town each month. By collecting **POLAR points**, you could be in with a chance of driving one of our EV Experience fleet vehicles, including:

BMW i8

Tesla Model S

Tesla Model X

'All in all I had a great time, I will never own a vehicle like that so to get the chance to drive it for a week was a real blast'

Simon
BMW i8

'The only hardship was having to give it back at the end of the experience!'

Shrootin
Tesla S

'EV Experience is a wonderful way to experience different cars for free.'

Glen
BMW i3

Other rewards

If that's not enough, we also offer our members exclusive rewards with our partners, including Holiday Inn and Harvester.
